International Scientific Conference

## The Global Economic Crisis and the Future of European Integration

18 October 2013

KEYNOTE SPEAKER:

Professor Željko Šević, Glasgow Caledonian University (UK)

Dear colleagues and friends,

We are pleased to announce an international conference that will be held in the City of Niš, Republic of Serbia, on 18 October, 2013. The aim of the Conference is to create a stimulating environment that allows fruitful debates on various aspects of the global economic crisis and European integration, through enabling open discussion.

Both review and research papers should relate to areas, which include, but are not limited to: Global economic crises and regulation, EU assessment: Challenges for EU peripheral countries, EMU perspectives, Public finance and sovereign debt crisis, Social capital, institutions and social inclusion, Marketing, management and leadership, Labour market and human resource management, Financial institutions and financial markets in global environment, Changes in industry and revival of industrial policy, Accounting, auditing and risk management, Mathematical and computational modelling. This time the conference will also host two special sessions:

Roundtable on Public Policy Making in Western Balkans  
chaired by Dr Margo Thomas (World Bank) and Dr Vesna Bojicic-Dzelilovic  
(London School of Economics and Political Science)

Discussion in reflection of the new book to be launched by Springer – Holand. In the academic and policy literature on Western Balkans the coverage of public policy making, including the actors, institutions and various activities is almost non-existent. This volume aims to fill that gap and bring valuable insights into the complex process of policy making and its impact on the reform outcomes in the region.

The Workshop of Jean Monnet E.R.S.G.,  
chaired by Prof. Eleftherios Thalassinou (Piraeus University)

The Workshop of Jean Monnet E.R.S.G. will give elements of progress of the research group members on different aspects of European integration – trade impact, economic integration, political integration, fiscal integration and financial integration and European banking system especially considering states aspiring to EU membership.

and  
PhD seminar

PhD seminar is a special opportunity for PhD students and candidates to meet and discuss with other doctoral students and internationally renowned researchers. It is devoted to sharing ideas and getting feedback on their work-in-progress of the thesis. All interested in taking part in this event should send their presentations, which will be followed by in-depth discussion.
